### Buy e-gold

128 bit SSL ✓

1. Fill the form    **2. Preview and confirm**    3. Wire instructions

You will receive about **490.2 EUR** worth of e-gold, the payment will be nominated in grams. The gram amount of e-gold you will receive depends on the exchange rate at the moment we make the e-gold payment to your account.

However, for comparison, if your payment were received right now, you would receive **39.2969** grams of e-gold at our current exchange rate **12.7237** EUR/g.

The fee for incoming wire at our bank is **1.92 EUR** (3.83 EUR if the wire comes outside of European Union). In case you send the bank wire with "shared costs", we will deduct this fee from your payment before converting to e-gold. [Read more here](#)

## Korak 5

ICE GOLD mjenjačnica primila je vaše podatke o planiranoj transakciji izmjene. Prikazuje se stranica s uputama pomoću kojih možete obaviti isplatu za mjenjačnicu ICE GOLD. Mjenjačnica će sa isplaćenim novcem obaviti izmjenu u elektronski novac i položiti će ga na uneseni e-gold račun.

Preporučujemo da klikom na »Print« isprintate podatke jer ćete ih kao već spomenuto trebati za izvođenje isplate koju možete obaviti iz bilo koje banke, putem njihovog referenta na šalterima ili pomoću elektronskog bankarstva.

Trebat ćete sve podatke, a oni najvažniji su dodatno označeni na donjoj slici. Na označene podatke upozorite i referenta u banci.

Upozorenje: izmjena će biti obavljena nakon 2 – 7 radnih dana, zavisi od banke preko koje obavljate isplatu. Nakon što će biti obavljena izmjena, na e-gold račun ćete primiti novac u elektronskom obliku. Mjenjačnica će putem telefona ili e-maila od vas možda zahtijevati podatke za potvrđivanje (e-gold Account Number i e-gold Account Name)
